

Dear

A new insurance policy with the number AB42008686 has been issued for our client Mr. Luis Enrique Chaparro Ramos. Luis Fernando Esqueda Ruiz, our esteemed insurance consultant, has requested the application of a 30% discount on this policy, due to the fact that Mr. Ramos has multiple units insured with us. Please find attached the issued letter for your reference.

In addition, our colleague Laura has asked Thelma to make changes to the payment method for two companies. It has been proposed to change the payment method to semi-annual without the application of any additional surcharge.

Pending your confirmation and corresponding actions with respect to these requests.

Thank you and regards,
