

REQUEST FOR CORRECTIONS AND ADDITIONS POLICY C341001413 AND C341001151

Hello

Please support us in correcting the number C341001413. Ruben Salinas asks us to correct a misunderstanding with the serial number that was issued on August 5, 2021. This correction is necessary to enable you to access a plant and carry out urgent work.

We also need to deal with the 30-day coverage debt for the C341001151 policy. Details for payment will be provided promptly.

In addition, Alberto Ledesma Uribe is requesting the addition of a unit to the fleet of his mutual client. The details of the unit are contained in the file attached to this email.

I appreciate your prompt attention to these matters. We hope to be able to resolve these issues as quickly as possible to avoid any setbacks for our customers.

I look forward to hearing from you.

Best regards

Luis Alberto Cervantes Mart nez
