

Leslie, I need your assistance with the following tasks:

- 1) Request a change of plates according to the attached petition, sent by Guillermo Gallardo Salazar of AARCO. In case of a receipt error, please inform the sender and delete the received copy.
- 2) Cancellation of the LK42004883 corresponding to PEDRO GABINO LLERA CORTES. The form for such cancellation has been sent.

I thank you in advance for your help with these moves.

Greetings and thank you.
