Christian Palomo Galv n,  
Vision of Coverages Agente de Seguros y Fianzas SA

I hereby make a request: I would thank you for your valuable help with changing the plates of the M9 42012108, a task that you will surely be able to handle efficiently.

Similarly, it is imperative to request the cancellation of the F643000296 policy. This decision has arisen from the sale of the unit insured under this number of pledges; an operation that removes our entity from the financial duties related to it.

In an effort to continue our environmentally responsible business practices, we remind you that the documents for the validation of these changes will be sent digitally, thus eliminating the need to print these materials. Everyone's valuable contribution is essential to our goal of caring for our environment.

I attach the following documentation: proof of our tax situation, for your review and confirmation.

Please confirm that you have received this request. I am at your disposal to clarify any doubts or comments you may have regarding these procedures.

Best regards,
