

CHANGE OF SERIAL NUMBER AND CANCELLATION OF THE POLICY CRISTIAN
VÁZQUEZ AND LESLIE

I ask for your support to carry out two actions with our policies.

First, Cristian Vizquez, our Auto Advisor in Lockton Mexico, needs urgent help endorsing the KB40152349 car number card linked to AT T Digital Communications. This endorsement involves a change in the serial number of the insured vehicle, a 2013 Sentra Exclusive.

Second, Leslie requires assistance to cancel the EK41009387 policy. Enclose the documentation necessary to carry out this process.

We thank you in advance for your prompt response to these requests.

Cordially
