

## REQUEST FOR MODIFICATION OF INSURANCE POLICY

Hello

I hope this message finds you well. I am writing to ask for your support in some urgent corrections regarding different insurance policies.

First, we need to change the insured value of a 2005 Chevrolet Equinox in the Pinturas del Paso y Ju rez S.A. de C.V. fleet to an agreed-upon value instead of its current retail value. Please note that this modification must be under the same conditions and discounts that apply to new additions to the fleet.

Second, we require your review in the Maya Construction Company's insurance policy. Subparagraphs 19 and 20 should be amended. Currently, these indicate "particular"; however, we need to change its use to "federal". This adjustment is urgent.

I count on your prompt response on these requested adjustments so that they can be completed in a timely manner and ensure our correct coverage.

I remain on the lookout for any clarification that may facilitate these changes.

Best regards
