

MEAT PRODUCERS SERIES

Good afternoon, I hope you're doing well. I need your support to make various changes to various insurance policies. Below I detail each case:

The first case concerns the QV43009609 in which the year of the vehicle needs to be changed from 2017 to 2016.

The second matter is related to the CV 41000529 list, specifically paragraph 6, where Omar Elizalde is requesting the cancellation of the insurance of the Chevrolet Aveo vehicle with license plates 524XTP. Omar makes a kind reminder about the importance of taking care of the environment by avoiding printing this email if it is not necessary.

Finally, for the B743001639 of JK INDUSTRIAL 2023, a change of contractor and owner is requested, as well as of tax domicile, leaving everything in the name of Karla Maria Eloisa Alba Escudero. Agent Marcela Lizeth Barraza Maciel is in charge of this application and provides her data for future communications.

I am attaching the necessary documents for each procedure and awaiting your reply.

Thank you for your support!
