

ENDORSEMENT B IS43000259

I would like to ask for your kind assistance in several respects. The first of these is to change the method of payment from the policy to annual, in a single exhibition.

In addition, I need your support to make an endorsement on the invoice of GLOBALMANI and OBCMANI SA DE CV. We need a change due to a rich RFC and for the invoice to be split equally for the two companies.

On another topic, as an Account Executive, I want to ask you for help to deregister units and migrate three tracts, following the number of D442000097 to UF42100030, as you can see in the attached file that accompanies this email. I appreciate that you can prioritize this request so that I can handle it promptly.

Finally, for each of these modifications, can you inform me about the corresponding cost? I remain attentive to the information and thank you in advance for your cooperation.

Best regards,
