

MOVEMENTS Contoso 01 FEBRUARY

Hi Leslie,

I have in my possession some matters of importance which require your valuable support. He is afraid to list them in the specific and necessary detail:

POLICY REQUEST DATE

For the Madisa Group policy, there is a change agreed upon by Richard and Olga. The payment method will be changed to monthly. Please view this matter closely and in a timely manner.

Blanca E Morales Osorio contacted the request for assistance in the cancellation of several relevant documents and documents due to the sale of the unit. I am sure that you will be able to address this point as soon as possible.

In addition, I requested the PDFs of the corresponding endorsements. It is very important that you review this task and get it sent as soon as possible.

I thank you in advance for your valuable help and dedication to these matters.

Greetings and Thanks.
