Dear Ones, I need your help with the following requests:

POLICY: PV41006166

REQUEST: Correction of the model and make in the description of the vehicle specified in the policy, which is currently listed as MAZDA CX 3 but must indicate HYUNDAI CRETA GLS PREMIUM. Alejandro Mac as undertakes to cover any payment difference that may arise. Similarly, if there is a credit balance, ask for the corresponding credit note to be generated.

In addition, Mr. Gustavo Adolfo Verdugo Esquer requests a 40% DISCOUNT on a policy, under the name of the Eddy Efren Angulo Velarde policy. Request Yomaira's cooperation in managing this discount.

Please take note of these mobilities and prioritize them for prompt resolution. I thank you for your support.
