

REQUEST FOR CHANGES IN POLICIES OF PENINSULAR TANK CARS, RODOLFO  
TREJO JIMENEZ AND IVONNE HERNANDEZ AGUILACHICA

I ask you to help with the following modifications. In the N142003739 of Autotanques Peninsulares SA de CV, the registration of five units with preferential beneficiary is required as of today. It is necessary to issue at invoice value and change the values from dollars to Mexican pesos.

On the other hand, Bianca Muñoz of Corsa Seguros requires urgent attention to change data in the F141002293 and F142002049 policies so that they remain in the name of Rodolfo Trejo Jiménez, including his RFC and his address.

Finally, Ivonne Hernandez Aguilachica, Endorsement and Cancellation Analyst, requires the modification of the QV43004591 policy to change the payment from annual to monthly. It highlights the need for vehicle inspection, physical or digital, for the contracting of the policy. Additionally, it must state whether the car will be used for taxi services such as Uber and will implement automatic renewal at the end of the policy's term.

I thank you in advance for your support and look forward to follow-up from you.
