

CHANGING AND CANCELLING POLICIES

Hi Geysi,

You will be able to assist me today, January 26, to cancel the D342007606 application and generate the corresponding note. He also needed help registering a new vehicle, a 2013 GMC Terrain SLE, in the F242003300 fleet effective April 10, 2023. In addition, it will require details about the quote for payments and a confirmation of registration.

I attach the necessary documents to proceed with these applications.

Greetings and thank you very much for your support. I remain at your service, I hope you have an excellent day.
