

MEAT PRODUCERS SERIES

Good afternoon! I hope you're all well. Today I have several petitions to raise your attention.

First, we need to correct Erika Elizabeth Rodriguez Flores' RFC for tax deduction. This is of paramount importance for our future invoicing processes. I thank Roxana Rico from ISTRÁ for receiving the application on October 3, 2022.

Second, please review Pilar Gonzalez's LL42002066 page. We need to add CDS assistance coverage and also be aware of the changes in the 2022 Tax Reform that affect billing. Therefore, let's carefully review the billing information before making or authorizing the policy.

Finally, I ask for your kind assistance in changing the use of the attached letters to the state public. As always, I am at your disposal for any clarification that may be required.

I attach the relevant invoices for us to carry out these procedures. I look forward to hearing from you.

Thank you!
