

CHUBB MOVES OVERVIEW

Fernando, I need your support with the next moves. On the one hand, Diego Almeida requests greater coverage for his truck under REFERENCE POLICY. A guarantee of the Aloja Workshop is attached and it is requested that a guarantee value of 810 000.00 be considered.

In addition, Denis Reyes, from the Risk Management Department of Dynamic Alternatives, asks us to make a change in Guadalupe Adalberto Tamez García's address in all policies, receipts and invoices. The new address to be implemented is at Congregación Canoas, Montemorelos, Nuevo León, C.P. 67500.

On the other hand, Eduardo Hernández Hernández is requesting a 30% reduction in his new E543001263 policy. We need confirmation of this discount.

Thank you all for your attention to these details. We look forward to your support with these actions. Best regards.
