

CHANGE OF BILL, POLICY COVERAGE AND PAYMENT METHOD - INSURED OWNER  
OWNER GP42007312 RA POLICY

Hi Mariana,

I am pleased to greet you, and I have received several requests that require your attention.

First, A da Asceneth Barrera Zavala seeks help correcting an endorsement on Angel Aguilar's policy. The vehicle in question has a capacity of 8 passengers, but the number erroneously reflects that it is 5. It is vital to make the change as soon as possible due to the license plate processing process.

In addition, Carlos mistakenly issued a renewal with an incorrect payment method to Edgar Fabian. To rectify the error, the policy must be changed to quarterly payment, without surcharge, as set out in the previous policy.

Finally, we are receiving a request from engineer Gustavo Adolfo Verdugo Esquer, who is looking for the possibility of providing a 30% discount on a new loan for Marco Antonio Romo Aguilar.

Thank you in advance for your attention to these requests and thank you for your attention. Any comments or questions regarding these issues? We invite you to respond to us and give your feedback in our customer satisfaction survey here [<https://forms.gle/JauVSLXxhXBnetid6>].
