

Hiliana, good day.

You are writing to me asking for help in correcting a serial number that was renewed with another line number, EI 42100004 PARAGRAPH 183. You attach information and you are waiting for my reply.

In addition, HC43001043 FORZA J E MAFER asked me for help with the cancellation of the policy due to the sale of the HC43001043 FORZA J E unit.

On the other hand, I request your support to deregister the units of TRANSPORTES ABC DEL CARIBE S.A. DE C.V. as of January 6: they are the plates 170VT4 and 814WF4, both of model 2007, with wide coverage and described as a swivel with hydraulic jack.

How do you see these changes? I look forward to your response and grateful for your continued support.

Best regards,
Fernando Almeida.
