

CHANGE OF CONSIGNEE AND REGISTRATION OF MOTORCYCLE.

Hey buddy

I hope you're doing well. I need your help urgently, please.

We need to make some changes, and I need you to confirm them.

First, the insured, Alfredo Hernández Hernández, requests that the beneficiary of the JD42007029 policy be changed to SERVICIOS INTEGRALES ACP S S.A DE C.V., leaving all other details intact. Please note that any unauthorized use of this information is strictly prohibited.

Second, Yanin Hernandez Osorio needs help registering a Vento Lithium 2.0 150 2019 for Luis Ju rez Marco Antonio. We need to know how much the premium will be and how this bike can be added to the KD42011234 fleet.

Finally, Jorge Arellano Ch., our Professional Insurance Advisor, is requesting your help for the cancellation of a policy with CHUBB and the issuance of a new policy with AXA. We have sent you the details of the Work Order, as well as the contribution and the required documents such as the INE and proof of address.

We appreciate your attention and support in these changes.

I REQUEST CONFIRMATION OF RECEIPT.
