

CHUBB MOVEMENTS

Hi, I need help with the following moves:

1. E542009095: Use the PREFERRED ENDORSEMENT on the E542009095 page. It is in the name of María Fernanda Arnold Preciado. Additionally, Elsa Valencia provides the endorsement.
2. A142110002: A vehicle must be registered on the A142110002 page. The applicant is Osvaldo Zu iga, technical leader of process engineering at KEMET in Mexico.

Please, if you would be so kind as to process these requests as soon as possible, I would be very grateful.

Attached is all the necessary documentation for these procedures.

Greetings, thank you for your help.
