

## CHUBB MOVEMENTS OF THE CURRENT MONTH 202

Hi Leslie,

I need your support with the following actions on the policies:

### NUM POLICY REQUEST DATE

1. E542008316 License Plate Change Pending - Completion Date Unknown.
2. I241005961 Endorsement of I241005961 Choice Series Change. It has been issued with an incorrect serial number. Attached is the circulation card and the pad to proceed with the endorsement. Endorsement date to be confirmed.

I thank you in advance for your help with these movements in the squares. The necessary documentation for both topics is attached.

Greetings and thank you.
