

CHUBB MOVEMENTS 26 JANUARY

Leslie, I need you to support me with the following tasks:

First, there are some disagreements regarding a change of management for the contractor Grupo Constructora Orna. As the postal codes of Coahuila and Zacatecas do not match, it has been concluded that it is not possible to make such a change.

Second, a cancellation endorsement is requested for the I2 42004119 policy. The insured, BELLA COCINAS Y DISE OS S DE RL DE CV, is no longer the owner of the unit that was covered by this policy.

I thank you in advance for your attention to these issues. I look forward to any additional comments or clarifications you can provide in this regard.

Greetings and thank you.
