

Dear Support Team,

We need your assistance to make a number of corrections and adjustments to a number of our policies.

First, we need to change the use of three public pages, as they are currently incorrectly labeled. We appreciate your attention and prompt response to resolve this matter.

In addition, another sender requires your support to be able to renew two insurance policies, as they have had difficulty completing the renewal process on our online portal. We look forward to your help in carrying out these renovations at the previously agreed costs.

Finally, our colleague Alejandro Fernandez Huidobro, from Aon Risk Solutions Global Client Network, has an important request that requires your assistance. We need to deregister a car from one of our policies as requested by the customer.

Thank you for your cooperation in these matters. We look forward to your prompt response.

Best regards,
