

Dear

I am writing to you in follow-up to several inquiries we have received at EstarSeguro.

Elienay Martinez Cerecero of Webber Asesores has asked us for support to add an imported 2006 Volkswagen Jetta Bora L5 to the Formex B8 41500000 fleet. In anticipation of this request, you have asked for a quote for an employee of the same company. We look forward to your prompt response to this request.

In addition, Jernimo Cortina Perez Taylor, an insurance agent, calls for a change in the GF42004892 policy from Ana Sof to Santos Galaviz. The change he is seeking is from private to commercial use, given that the vehicle in question is used for the delivery of vacuum-sealed food, fish and seafood.

Please review these requests and we will look forward to your feedback and next action. As always, we are here to support in any way possible and we appreciate your collaboration in these efforts.

Best regards
