

Dear Team,

I require your cooperation to make the following corrections and changes in various policies.

First, Hugo Abraham Coronado Barajas has requested to add adaptation and conversion coverage to his GJ42008344 policy. Please review the aggregate invoices provided by him to validate this request.

Second, Rodolfo A. García a Espinosa needs to correct his name in the system due to a previous error that prevents the correct incorporation of his middle name. I am attaching the CSF form for your reference.

Finally, Andrew Donovan Lizarazu Bojorguez Villegas has requested the cancellation of the H540008490 policy. It should be recalled that this policy will be automatically renewed at the end of its validity in order to maintain the protection of the unit, so it is essential to guarantee its cancellation.

I appreciate your attention and management on this issue.

Best regards
