

I ask for your support in carrying out various actions with respect to our insurance policies.

First of all, I need to cancel the gj41011855 page. I thank you in advance for your assistance with this matter. Additionally, I need help with another important issue. There was an error regarding the insurance policy of Aleatica S.A.B de C.V. We need to change the method of payment of this policy from a single payment to monthly payments.

In addition, this policy, which completely covers a 2018 Suzuki Ignis GLX vehicle, expired by mistake without us applying for renewal. I would like to rectify this error as soon as possible.

Remember that for any questions or clarifications, I am at your service.

Greetings and thank you for your attention in these matters. Below are my contact details for any questions or follow-up to these requests.
