

Best regards

We want to bring to your attention a number of requests on behalf of various stakeholders. First of all, Ms. Elvira Ledesma of Herralum Industrial has proposed that a Nissan box be included in the LK42000120 policy. We would appreciate it if you could review this request and respond to us as soon as possible. Our administrative assistant, Lilly Madrid, is available to answer any questions you may have.

Second, we ask that you please make the endorsement of the preferred beneficiary of the EI42006874 policy to GM Financial de Mexico SA de CV SOFOM ER. This message is a direct request from Ms. Lucero Gutiérrez Espinoza.

Finally, we submitted a request to enable the bulk print module in our portal for these cases. In addition, please share with us the special conditions confirmed for this account.

I share with you the requested information and hope that you will be able to respond to all our requests in a timely manner.

I'm pending,
