

Dear Lupita,

I hope you're well. We need your help to change the regular driver information on our insurance policy. We have attached a copy of the INE to facilitate the updating of the data. We greatly appreciate your help and are available for any queries.

Additionally, we want to share with you a conversation we had with Alejandro Contreras and Shoham Miriam Cervantes González. This is the activation of the policy for a Ford Focus SE vehicle, owned by Ryder Capital S de RL de CV. Alejandro has requested this activation and Shoham has confirmed that the corresponding payment has already been made and applied correctly.

We appreciate your prompt attention to these matters. If you have any questions or need additional information, please do not hesitate to contact us.

Best regards,
