

APPLICATION FOR DISCOUNT APPLICATION AND PREFERENTIAL BENEFICIARY  
ENDORSEMENT

Dear Support Team Member,

I am writing to you to request your valuable support in carrying out two operations of the Communist Party.

The first comes from insurance agent Gabriela Ni or Jaime. She is requesting that a previously authorized discount be applied to an insurance policy issued in the name of Martha Alicia Macias Gomez. It should be noted that the policy does not yet reflect the application of the discount and Gabriela will require the intervention of the IT team to resolve this situation.

The second transaction deals with a request from the AYA Seguros Office, which requests a preferential beneficiary endorsement of the EI43002430 policy in favor of the BP corporation. For reference, an attached format has been added.

We appreciate in advance your prompt response to these requests. It is essential that, when replying to this message, you attach all original documents as well as any other required information.

Thank you in advance for your cooperation in this matter.

Best regards
