

REQUEST FOR SUPPORT AND ENDORSEMENT OF RFC POL LL41004544 ENGINE  
NUMBER AND GK41004450 END FOL 3187644

Hello, I need your support to carry out two procedures according to the requirements of our customers. In the first place, Guadalupe Palomeque Mendoza of Asesores, has requested the endorsement of the cancellation of the LL41004544 line belonging to Corrugados y Suministros del Norte SA de CV. Secondly, José Manuel Crisanto Bautista has requested that the discount on his GK41004450 policy be increased to 40 per cent and has provided his contact details to follow up on this process.

It is important to include both the initial files corresponding to each policy and the required data of each customer. Thank you in advance for your cooperation in this process. Please apologize if there is any confusion in my communication, I am not always sure how to attach all the necessary documents. I promise to send you the proof of address in another email.

Best regards
