

MODIFICATION OF POLICIES GB 42003584, LK 43000361 AND I443001427

Hello

I hope you're having a great day. I need your support in several changes we have for our customers' policies.

First, we are looking to change the insured contracting owner of the I443001427 line from Isidro Sandoval Valencia to Xochitl Medina Mercado. The enclosed circulation card shows Xochitl's date of birth as April 11, 1971. We do not need an invoice for this change.

In addition, Rebeca Durán, Pemex's account executive, urgently requests the correction of the serial number of the LK 43000361 policy. It seems to be missing a digit, and cannot make the correction through the portal. Thank you in advance for your help in making this correction.

Finally, he requested the cancellation of the GB 42003584 policy, which belongs to Juan Carlos Rivas Alba. The cancellation form is attached for your review. I am at your service for any questions or comments.

We thank you very much for your support and remain at your service for any clarification or doubt.

Best regards
