

REQUEST FOR MULTIPLE UPDATES ON INSURANCE POLICIES

With cordial greetings, I would like to request your invaluable assistance in the following tasks:

1. Mar a Guadalupe Lopez Zamora requires assistance in registering a Freightliner Chassis Cab Business Class Mod. 2012 in the Contoso NA42003135 Dist Logee Special Services Fleet.
2. I request support in the endorsement of the car policy number KB40152349 of AT T Digital Communications. The serial number of the insured vehicle, a 2013 Sentra Exclusive, needs to be corrected. The endorsement has been requested by Cristian Vizquez, Auto Advisor at Lockton Mexico.
3. From Customer Service, Emmanuel Salvador Perez has asked us for assistance in the cancellation of the QV42014966 policy and the refund of the corresponding premiums. Alongside these instructions, it has also provided details on the insurer's procedures and auto-renewal policy.

We would greatly appreciate it if you could help us with these matters. We are aware that corrections are essential for the proper securing of vehicles.

We look forward to your prompt response and look forward to any comments. Thank you!

Best regards.
