

We have just issued a new AB41008952 policy. Based on our customers' requests, we would appreciate it if you could help us with the following modifications:

1. Maria Gpe. Quintero Rivera has identified an error in the evaluation of a 2016 F150 in the field. It is currently insured for a value of 25,900 pesos, but based on the 2015 and 2017 model references, this value appears to be inaccurate. She has provided an updated guide in May 2022 indicating an actual value of 340,700 pesos. We would be grateful if you could correct the sum insured according to this new value.

2. We would also need to modify the use of a vehicle as a separate matter. Francisco Javier Peralta Resendis has requested that we change the use of the vehicle with license plate 803at1 to federal public service/general cargo.

We greatly appreciate your support and thank you for your attention to these issues. We look forward to your feedback.

Thank you and regards,
