

Hello

I hope this email finds you well. I get in touch to discuss some necessary policy modifications involving multiple clients.

In the first place, Rosario Guerra has pointed out an error in the B84100783 line - paragraphs 16 and 17 have identical serial numbers. She requests that the serial number for subsection 16 be changed to L5S9G23328X000348. Please check and make any necessary corrections.

Secondly, Erika Vázquez of UCMA Seguros Cobranza has detected a discrepancy in the GX39000566 policy, which is in the name of María Lorena Aldana Razo. The page must indicate that the use and service is for PUBLIC FLETS. Erika provided a table with the correct data. Can you confirm these changes?

Finally, Salvador Hernandez Penilla, one of our insurance agents, needs confirmation for an endorsement on the line stating that the vehicle has 15 occupants.

If you can accommodate these requests and provide the cost for the changes as soon as possible, it will be a great help.

Kind regards
