

PLEASE MODIFY THE DESCRIPTION AND SERIES OF THE LAST 6 SUBSECTIONS
SHOULD READ ONLY INDIST TRAILER.

Hi Brenda and Eduardo,

We hereby request your support on behalf of Mr. Alejandro Ruiz to make a deletion in the subsection of the current policy, specifically in Lower Inc. It is also necessary to carry out the cancellation of the ei42006195 policy in order to issue a new one to correct the version of the unit.

In the same way, our esteemed Account Executive Rogelio Martinez asks us to make the corresponding registration of the unit and issue a cover letter for it. As Perla García of Ventas Brokers Monterrey informs us, we can make the change through an endorsement, understanding that this will affect the premium, or it may be reissued. Please note that these modifications must be made using different systems.

We also request that consideration be given to modifying the description and series of the last 6 subparagraphs to read as "INDISTINCT TRAILER". We remind you that the series of trailers must be the last 5 digits of the series of each insured tract.

We look forward to your prompt response and action towards your request.

Thank you very much in advance for your support and cooperation.

Best regards,

Kind regards

Jorge L. Rodriguez G.
