

CSF RFC ZUFE741204B95 ERNESTO ZUMAYA DE LA FUENTE

Hello, a favor is required, primarily an adjustment needs to be made in the insurance registration for SMURFIT L8 42190001 which is currently in the name of Garza Lonzano Baldomero, with a biweekly charge of the amount of the policy. The necessary form to process this change will be attached. Of the agreed contribution of 3,979.40, the amount will be divided into the remaining 21 fortnights.

In addition, Yadira Mondaca Coronado of Dynamic Alternatives at Risk has sent a request to modify the serial numbers of certain subparagraphs in the Transportes Primoss policy to avoid cancellation and redispach. It should be noted that the system has detected duplicate series, therefore it cannot make changes in some cases.

We would appreciate your support in making these necessary adjustments as soon as possible so that payments can be completed for both KD 43987358 KD 43987317 policies.

Thank you very much.
