

GOOD AFTERNOON MEAT PRODUCERS SERIES

I hope you are all doing well! I am writing this email to ask for your support in the following:

The client RYDER CAPITAL S DE RL DE CV has requested the cancellation of item number 246 of its car insurance policy with serial number DC 42133343 with CHUBB SEGUROS MÉXICO S.A. It is relevant to mention that he is no longer in possession of the aforementioned unit.

Additionally, I would like to notify you that Martha Leticia Gonzalez Mendoza, owner of this company, has made the corresponding payment in HSBC Mexico.

Finally, I would like to thank them for changing the type of use to 'FEDERAL PUBLIC' for two items already paid by the client. The latter has confirmed and is awaiting the issuance of its policy.

I enclose the corresponding cards and invoices for each term. I look forward to your reply.

Thank you and good day!
