

URGENT MODIFICATION OF SUM INSURED AND CANCELLATION OF AUTO ANA
BEATRIZ BARRERA CORONA F942000093

Please, your URGENT support is required for the following policy changes:

1. For the E5 40002988 plan, in the name of Julio Alfonso Aguir Monroy, increase the sum insured in the coverage of Occupant Medical Expenses to 500,000. This is a request from C.P. Augusto Palafox Celaya.
2. A car is requested to be reviewed and cancelled by the end of the month. This request is due to the fact that the requested dates, provided by Brenda Yeraldin Garcia of Mercer Marsh Benefits, do not match the current dates. Gabriela Rodriguez of Brokers Occidente Bajio is reviewing the format and has asked that cancellation be considered by the end of this month.

Pending your response and action, we wish you a Happy New Year.
