

CHANGE OF SERIES Y A O - Grey

Hello friend, I need your help to make a correction in the serial number of the insurance policy, according to the request of our insured, Eduardo González Magaña, who is now listed as a preferred beneficiary in a dispute with Banco Regional SA.

The change involves changing the letter 'S' to the number '5' on the page A142110001 SUBSECTION 529. I am attaching a copy of the CT scan for validation.

Please confirm receipt of this email and any necessary modifications to the serial number. I remain at your disposal for any other related matter.

I remind you that the information provided is confidential and its unauthorized use may have legal consequences.

I send you a kind regard,
