

Dear Rodri,

I hope you're doing well. I am writing to you to discuss various topics related to our insurance and policies.

First of all, we have a problem with the serial number of a line attached to the MOT; specifically, it contains an additional 'X' that needs to be removed. I'm sure you can help us with this little problem in the most efficient way possible.

Then, we want to discuss the five units of 2023 Suzuki motorcycles that will be issued for the N142013123 fleet of Pinturas Mar del Sureste. We need that all preferential documents and invoices are in the name of Arrendadora Zanmart SA de CV, and that these units are registered as a subsequence in the customer's current fleet, in accordance with current policies.

Finally, we send you a proof of address in the name of the insured person from the indicated address. I wish you could check if it is possible to make a change to the address, since it belongs to a different circulation area. I would also be interested in reducing the discount to stay at 30, so I can make interest-free monthly payments. I believe, however, that this last change I will be able to make myself.

Thank you very much for your attention and patience with these matters. I look forward to hearing from you and suggestions.

Greetings and have a good day,
