

SUBJECT: Changes to Policies and Settings Name

Dear Leslie,

I am writing to ask for your support with the following modifications to our policies and fleets.

- 1) We need to change the use of cargo to 'C' for Article 46 of the Synthetic Lubricants fleet.
- 2) I have an insurance pending confirmation for the company LUBRICANTS SYNTHETICOS SA DE CV backed by Start Banregio SA de CV SOFOM ER Banregio Grupo Financiero that I need to shore up.
- 3) Can you confirm if the new insurance on our Ram is in the same condition as the previous one?

In relation to Formex matters, I have received a request from Elienay Martinez Cerecero of Webber Asesores. It needs to add a subparagraph to the B8 fleet 41500000 for an imported 2006 Volkswagen Jetta Bora L5. In addition, you need a quote for an employee of the same company.

I appreciate your attention to these matters

Greetings and thank you in advance.
