

Dear Arthur, I am happy to write to you again. I am asking for your support with Contoso regarding any necessary changes to the newly issued B341019157 policy, specifically in relation to endorsements, as detailed in the attached form.

Our client has confirmed that there are certain items that feature federal license plates that need to be changed to the Federal Public. However, our technical team has informed us that it is necessary to cancel and reissue the policy, rather than simply making a modification.

Our operations executive, Vianey Morales, has requested that certain policies be cancelled and reissued and that a serial number be corrected in a specific folder. All this within the framework of the renewal of the ROCA team's fleet.

Thank you in advance for attending to these requests. Please let me know if you need more information. I look forward to hearing from you.

Kind regards

Magdalena Ju rez
