

Unipro Issuance New Sylvia Banquells Pinal

We have just received the request for the cancellation of the Unipro policy with number GN41000710 from Sylvia Banquells Pinal. She also mentions the implementation of new requirements for insurers as of December 1, 2021 to minimize money laundering activities.

In addition, you have requested an endorsement in the above-mentioned series of the policy to make a change, attaching with you the repuve query. I perceive that once you have the proposal, you will send it.

I appreciate your confirmation of receipt of the request, and look forward to your response on the proposed amendments.

Thank you and regards,
