

TRAILER RC COVERAGE ENDORSEMENT

I hope this message finds you well. I have several topics to discuss when it comes to insurance policies. First, José Luis García a Gómez of ODESSA Seguros has requested the inclusion of a double trailer in paragraph 58 of the D3 41006194 policy. However, Patricia Lopez has informed me that this was not initially requested. We will need your confirmation to proceed with this listing.

On the other hand, we have received a request to cancel the section 62 insurance on the MORCAB fleet with number CY42002675 due to a delay that requires attention in the workshop for an indefinite period of time.

In addition, we would have to register the unit in the LOGISTICA MORCAB fleet. It would be of great help if you could support us in these matters. I thank you in advance for your time and cooperation in this matter.

Best regards,

Andrés M. Gutiérrez.
