

CORRECTION MODEL, ENGINE, AND INCLUSION OF ADDITIONAL VEHICLES,
CANCELLATION SECTION 3 BBC 42607023 10 PROCOMEX

Good day,

I hereby request your assistance in several actions in relation to our insurance policies:

It is required to correct the model and engine information of a policy, it must be 2014 and correct the engine number.

In addition, the letter in the name of Fernando Cisneros Ruiz needs to be updated to include two additional vehicles in the DL41000014 fleet. The vehicles are a 2013 Chevrolet Matiz and a 2016 Chevrolet Aveo, and must be listed as of today, January 18, 2021.

Finally, Diana H.C. requests assistance to cancel Section 3 of the F9 41004704 Letter of Turck Mexico, since the car no longer belongs to the company and awaits comments and support in this matter.
