

CRISA POLICY D442160108 SUPPORT ENDORSEMENT BP MOD SERIES

To Whom It May Concern,

In the first instance, we kindly ask you to proceed with the cancellation of the MPF Auto Insurance due to the cancellation of the company, this also includes with immediate effect the elimination of the discounts made in the 17th and 18th fortnights. We also request a thorough review of previously reported discounts. More details about this have been sent in a separate email.

Subsequently, Adriana Odet Balvanera Castillo requested the assistance of Gabriela Pineda Chacón for the issuance of an endorsement corresponding to the LP42001646 policy. The address of the insured does not appear on the cover of the policy, so it is requested that the following address be added to it: Cumbres del Abeto 101, Fracc. Cumbres de Juriquilla, Querétaro, C.P. 76230. This change is vital to prevent complications in the event of a future claim.

Your support is also requested to change the payment method of the TV41000490 of Gabriel Cervantes Parra to cash payment. Currently the application is biannual, but when trying to make the change in the system, it presents an error.

Trusting in the attention and immediate action to this request, we thank you for your prompt response.
