

SUBJECT: Adjustments to the IS43000259 Insurance Policy

Hello

I find myself requiring your valuable assistance in making an adjustment to the insurance policy. We need to cancel it in advance, it was originally scheduled to start in May, however, circumstances force us to request cancellation from this April.

Mrs. Esmeralda Alamilla Vera, who serves as WTW Auto Manager, has authorized the cancellation and, therefore, the refund of the corresponding premiums.

In addition, on behalf of KALIFA CONSULTORES AGENTE DE SEGUROS Y DE FIANZAS A DE C V, Mr. José de Jesús Kalifa Assad wants us to proceed with this cancellation. This is due to the sale of a unit, whose decommissioning date has been February 17, 2022.

To conclude, I ask you to please help us so that the invoice goes out in the name of COMERCIAL DE TRACT PARTES DE OCCIDENTE, and I would also be grateful if you can inform me of the cost of endorsement for Type B Cargo.

Wait for your response.

Best regards.
