

OT 15973190 Update & Correction: Cars & Trucks - Braskem Idesa

Hi Arturo,

I hope you're well. I am writing to ask for your help regarding some necessary changes to our policies. Specifically, the QV42006372 policy requires a correction in the vehicle registration year, which was incorrectly entered as 2005, due to an error, the correct date is 2004. In addition, we would like to point out the process of inspecting the vehicle and its use for taxi services, as well as highlighting the need for automatic renewal of the policy.

In addition, we also require your support to add Banco Mercantil del Norte S.A. as a preferred beneficiary in the JD42007113 policy. It is also important that their address be included in the records.

As always, we appreciate your diligence and agility in the process. We keep in touch for any additional information.

Best regards and thank you for your support,

Magdalena Ju rez
