

Alejandro, Laura and Karina,

I have your requests in order and am working to accomplish the necessary tasks in each case.

Alejandro, please keep in mind that we are going to change the plates of the KD43996237 to U59ASB. So keep an eye out for any updates.

Laura, we have received your request for the processing of an order and it will be assigned to Gloria Piedad Rojas Reyes. Soon I will give you a confirmation of receipt.

And Karina, I'm working on the endorsement in the KD42004280 according to the OT and the documents you've provided.

I thank you all for your patience as I accomplish these tasks and keep you informed every step of the way.

Best regards
