

CHANGE OF USE AND APPLICATION OF POLICY DISCOUNT Contoso EL 41001814

I am writing to request your support in making two important changes to the Contoso EL 41001814 of our client Dise o Met SA de CV. First, a change in the use of the insured vehicle is required, specifically from public to private. In addition to this, Michelle Nicole Tucker Grande has applied for a 30% discount for a new customer.

We thank you in advance for your assistance in clarifying these changes to the details of the policy.

Best regards
