

Hello

We can count on your valuable assistance in proceeding with the necessary modifications to the insurance policy identified as A743002775 please? We need to change the coverage of that policy from an "RC Package" to a "Limited Package". This request to change conditions is due to problems that have arisen with the system.

It is important to note that this may require a calculation of the discount surcharge for the renewal quote associated with Chubb Seguros Mexicano S.A. We appreciate your cooperation with these adjustments in advance.

Thank you and I'm here for any questions or queries. Best regards!
