

CHANGE OF SUBSECTION AND MISCELLANEOUS POLICY

Ale

I am asking for your support in reopening the request for subsection 94. This is an employee who had been terminated but was rehired in December. You need to re-insure your vehicle. The request comes from Jes s Guajardo, our insurance analyst at Navistar Financial S.A.

In addition, a request has come in for an additional 15 per cent discount for the number GN43004608. This email was sent from Mail for Windows, for your consideration.

Finally, Andrea Vargas Sanchez has requested the cancellation of the M642009102 car fee due to non-payment. Request confirmation of receipt and application.

I look forward to your comments, as well as confirmation of the cancellation of the last requested policy.

Best regards
